April 19-25, 2020

## 50 YEARS OF EARTH DAY

April 22, 2020

**All are invited to join us as we celebrate our library and our planet!**

April 19-25 is National Library Week, an annual celebration of the life-changing work of libraries, librarians and library workers. Libraries aren't just places to borrow books or study—they're also creative and engaging community centers where people can collaborate using new technologies and develop their skills and passions. We'll be celebrating our patrons this week with some special activities that we hope will inspire you to see libraries in a new light. Of course, this week isn't just for libraries - it's also the 50th anniversary of Earth Day on Wednesday, April 22! Celebrate the library and the planet all week long as we continue to work towards a more sustainable future.

**Food for Fines:** For each non-perishable food item you donate, \$1 in CRPL fines will be removed from your card. Donations will be given to the Almost Home Blessings Box.

**Kindness Rocks:** All are invited to join us on **Monday, April 20 at 5pm** to help us paint Kindness Rocks! Express your love for the library and the planet and help us decorate our garden for the summer.

**Adults:** The candy jar guessing game is back! Stop by any time during the week to put in your guess for a secret prize.

**Youth:** Stop by the library any time during the week to pick up a bookmark to help you keep your place in your next adventure! Kids are also invited to join us on **Wednesday, April 22 at 6:30pm** to learn more about the library during a special scavenger hunt!
